*IMPORTANT NOTES: Students MUST attend their own assigned section each week...they cannot attend other sections. However, one weekly after-school opportunity will usually be available for \$10 on a pre-scheduled date to view a makeup video of a missed class in the back part of Dr. Rothkopf's home in Kendall; as space will be limited, reservations to view videos will be taken in order of request. Tuition for the main course must be remitted in full before the first day of the course and is non-refundable once the course begins. Students will be required to purchase "The Official ACT Prep Guide" and "The Official SAT Study Guide" prior to the first class session. Homework & proper behavior are essential; students who repeatedly come to class unprepared or who disrupt class will be sent home. Possession of cell phones from the beginning to the end of a class session is prohibited; cell phones that are not placed in the cell phone box before class begins will be confiscated and held until parents retrieve the cell phone or until the following week's class, whichever comes first.*

*Since our courses often reach maximum enrollment, it is best to reserve your seat as soon as possible; seats can be reserved by remitting a non-refundable \$50 deposit.*

*This Targeted Prep Course prepares students for the ACT and SAT exams that take place in June 2017. The course is a shortened version of our more extensive Comprehensive Prep Courses that begin in July and September 2017; students who plan to take the SAT and/or ACT again during the 2017-18 school year are strongly urged to expand their training by enrolling in the Comprehensive Course; for students who have taken the Targeted Prep Course, there will be a \$200 tuition discount toward the Comprehensive Course if they enroll in it by April 30; a \$100 tuition discount applies after that date.*

*Higher Standards reserves the right to make changes to the above if necessary.*
